Since its inception in 2005 the Abbotsford Police Foundation has been quietly providing a wide range of much-needed community policing and outreach assistance not covered by the annual operating budget of the Abbotsford Police Department.

The Abbotsford Police Foundation inspires innovative community partnerships with the Abbotsford Police Department. These partnerships enhance public safety and fund unique initiatives to help the Abbotsford Police Department achieve its goal of making Abbotsford 'The Safest City in BC.'

This October 24th the Abbotsford Police Foundation is holding its fourth annual Breakfast with the Chief fundraiser: "Crime is Toast." **Our goal for 2018 is to raise \$75,000.** To achieve this goal **we need your help!**

I invite you to attend and bring along your colleagues, family and friends to show support for the great work of the brave men and women of the Abbotsford Police Department. There is also an opportunity to get in and show your support as a sponsor for this high profile event.

This package outlines who we are, our goals and objectives and the various levels of sponsorship and their associated benefits. As a sponsor, your company will be recognized as an organization that not only supports local community policing initiatives but as an organization that values positive change. **By becoming a sponsor you can directly contribute to the work of the Abbotsford Police Foundation, helping to make Abbotsford the safest city in BC.**

Thank you for taking the time to review this package. We look forward to your support.

Warm Regards,

Kevin Boonstra, President

WHO WE ARE

Established in 2005, the Abbotsford Police Foundation (APF) is a not-for-profit organization supporting Abbotsford Police Department (APD) programs that are not covered by its operating budget. The APD can not directly receive financial contributions, however the APF is a trusted, practical way for you to help support the work of our officers, enhancing public safety.

WHAT WE DO

Our goal is to help our police make Abbotsford the safest city in BC by:

Connecting Police
with the Community

Building Positive
Relationships

Funding Engaging
Programs

APD PROGRAMS WE SUPPORT

Some of the initiatives we support include:

Project Band-Aid

APD Officers visit children in hospital leaving them with a toy 'Hector the Protector'.

Annual Abbotsford Police City Basketball Tournament

Over 750 students playing to promote positive choices for youth through basketball.

Annual Abbotsford Police Camp

A week long day camp for kids, interacting with local police and learning new skills.

Specialized Equipment

Each year we strive to purchase specialty equipment for the APD, tools that fall outside of their annual operating budget that will help them police the community.

Youth Making Positive Choices

A new initiative to engage youth and empower them to make good life choices. The current program focuses on educating youth on the dangers of drug use.

GET INVOLVED

Don't watch from the sidelines. Join the team! Every dollar donated to our foundation helps ensure these special projects are a success. If you would like to contribute, please contact us at abbotsfordpf@gmail.com. Qualified donations \$100 or more are fully tax deductible.
